U.S. Patent No. 5,794,627
"Disposable Mandibular Advancement Appliance"

Sir:

The U.S. patents listed on the attached "Certificate of Correction" were listed on an Information Disclosure Statement (copy attached) filed May 27, 1998 and acknowledged by the Examiner's "Supplemental Notice of Allowability".

Please return the enclosed self-addressed postcard after affixing the date stamp of the U.S. Patent & Trademark Office thereon to evidence receipt of the enclosures.

Since this was a U.S. Patent & Trademark Office error, it is believed that no fee is due. If that is incorrect, however, you are authorized to charge Deposit Account No. 22-0020 (FRAD,003). If there is any question regarding the above or the enclosures, please do not hesitate to contact the undersigned.

Respectfully submitted,
